

## **SUN LAKES REPUBLICAN CLUB APRIL 12<sup>TH</sup> MEETING**

The Sun Lakes Republican Club will feature “**Censorship, or Whatever Happened to Free Speech?**” at its monthly meeting on Wednesday, April 12th, at 6:30 p.m. in the Navajo Room of the Sun Lakes Country Club, 25601 S. Sun Lakes Blvd., Sun Lakes, AZ 85248. The public is invited. Our mission is “education for an informed electorate.”

**Our first speaker will be Arizona State Senator J.D. Mesnard**, who will address the current concerns of our community. What are the prospects for inflation-cutting measures in the current General Assembly? If we as citizens are forced to tighten our belts, shouldn't our government tax bills be required to go down instead of up? Who controls the children, the parents or the state? Are the schools accountable to the parents who are paying for the school services through their taxes, or is it appropriate for school employees to try to divorce the child from her family? Should parents decide the appropriate school for each of their children, or should the state force the children to attend the government's choice?

**Our second speaker will be Mike Broomhead** speaking on “**Censorship, or Whatever Happened to Free Speech?**”

Do we still have liberty to follow the eternal God of our religious consciences, or do we now have one required government religion to worship only the dictates of the ever-changing secular state? What are the prospects for inflation-fighting, pro-small business, pro-family, pro-religious liberty legislation in the current legislative session? Will we be allowed the choice to listen to both sides of an issue to decide our opinions for ourselves? Or are we destined to be a cancel culture, with only one-later found to be erroneous-option allowed to be shared? Our second speaker will be giving us some possible answers to those questions. Whether it's politicians, celebrities, or every day citizens making news, Mike Broomhead's willingness to ask the hard questions of those “in the know” on a daily basis is why he has been Arizona's go-to talk radio host for the past 12 years. You've seen him on national television, heard him on syndicated radio shows, and enjoyed him on multiple podcasts. Rooted in fiscal and social conservatism, Mike leaves no doubt where he stands on any issue. He values conversations about right vs. wrong more than right vs. left. He fights for the freedoms of Americans and brings the hottest issues of the day to his listeners. Inspired by the service and ultimate sacrifice of his brother Tom, who tragically lost his life on Memorial Day 2003 in Iraq, Mike initially made a name for himself speaking at the largest pro-troops rallies in the country. He was called upon to debate against the anti-war crowd on both television and radio and is now highly requested around the country to speak at events. Mike has emceed Presidential rallies, subbed for Glenn Beck's television and radio shows, authored a book and has given countless hours to supporting non-profits across Arizona.
